High-quality Sprockets for Energy Series® Chain

Maximize performance of your Energy Series® Chains with Tsubaki Sprockets.

Chains and sprockets have to work together, so buying them from the same source just makes sense. When chains and sprockets articulate correctly, they last longer. You get long-term savings and real value. Tsubaki offers a wide range of stock sprocket styles and sizes as well as the most complete made-to-order capabilities in North America.

- Standard, split, and segmental rim sprockets
- Solid, welded, and custom-machined sprockets
- Coatings to resist corrosion and wear
- Special materials and hardening treatments
- Mounting, lightening, and safety lockout holes
